## RECORD BOOK

00N  
5534328

**199-84**

#### 4-H MOTTO

Learn to do by doing.

#### 4-H PLEDGE

I pledge  
My HEAD to clearer thinking,  
My HEART to greater loyalty,  
My HANDS to larger service,  
My HEALTH to better living,  
For my club, my community and my country

#### 4-H GRACE

(Tune of Auld Lang Syne)

We thank thee, Lord, for blessings great  
On this, our own fair land.  
Teach us to serve thee joyfully,  
With head, heart, health and hand.

If any portion of this manual is used for another publication, credit must be given to 4-H Branch Alberta Agriculture.

## ABOUT YOUR RECORD BOOK

### Purpose

1. Record of information
2. Record of work done
3. Learning how to keep records
4. Record of club activities
5. Record of achievement

### What is entailed in a Good Record Book?

1. Completeness - If any part of a record book is not finished, it detracts from the rest.
2. Accuracy - When you are weighing your feed and goats you should do it carefully so that your calculations will have some meaning.
3. Pictures and Illustrations - Add originality and interest to the records. At the Achievement Day, you should have a picture of your goat(s) at the beginning and end of the project and a picture of the project members and leaders in your record book.
4. News Section - This should include a record of 4-H activities at local, provincial, national, and international levels. 4-H News should be collected throughout the year. When an item is clipped from the newspaper, the date and name of the paper should be written onto the clipping.
5. Neatness - Neatness is important in completing your record book. However, it is understood that the record book is completed throughout the entire year and not just the day before the achievement day.

This book is designed to allow the member who is carrying the Female Kid; Chevron; Yearling Doe or Two Year Old Doe Project to keep his/her records in one book. Members should fill out only those sections that apply to the particular animal or animals they are caring for.
